Montana Fish, Wildlife & Parks

Invitation for Bid
150038
Addendum #2

09/23/2014

Dear Vendor,

The following changes have been made to Invitation for Bid 150038, 5.11 Uniforms.

- **The women and men's 5.11 Taclight Pro TDU shirt color has been changed from storm to:**

  Khaki

- **Since the women's short sleeve does not come in the Taclight Pro TDU we are eliminating it from the bid, no substitutions. This is the women's short sleeve only; we still need a bid on the women's long sleeve shirt.**

Any questions, please call Kari Shinn at 406-495-3249. Thank you.

If you wish to submit a bid for this solicitation, please acknowledge this addendum by signing this page and submitting it along with your bid. I apologize for any inconvenience this may have caused. Thank you for your cooperation.
