SUBJECT: FOOD SPECIFICATIONS

THIS IS A REMINDER:

The Montana State Prison (MSP) Food Factory has been licensed by the Montana Department of Livestock to provide finished food products to other Institutions. **Effective July 1, 2003** The Montana Department of Livestock has mandated the MSP Food Factory comply with labeling procedures requiring complete disclosure on approved labels of all ingredients in order of predominance contained with-in a product. Therefore, you will notice a change in the accompanying Bid Specifications for the Fourth Quarter of Fiscal Year 2003, in that all items contained in this Bid Specification listing stipulate the specific ingredients in the specific order, which are acceptable for the identified products. This letter serves as notification that effective **April 1, 2003** the MSP Warehouse will no longer accept items unless it conforms exactly to the bid specifications as written. No deviation from the ingredients listed for each item will be allowed. The items will be refused and returned. The MSP Warehouse will no longer be able to store the refused items until they can be picked-up.

Bids for all items must contain a specific brand name. All acceptable items must have a label containing the exact specifications called for in the bid booklet and be referred to by brand name and code number. New brands can be submitted for approval, but first, a sample must be submitted. If the product meets the specification in our bid booklet, the product will appear by brand and code number on the next quarterly bid.

NO DEVIATION FROM THE INGREDIENTS LISTED FOR EACH ITEM WILL BE ALLOWED.

**** Items will be returned to you if they do not match our ingredient statements. ****

ACCEPTANCE/REJECTION OF BIDS, PROPOSALS, OR LIMITED SOLICITATION RESPONSES: The State reserves the right to accept or reject any or all bids, proposals, or limited solicitation responses, wholly or in part, and to make awards in any manner deemed in the best interest of the State. Bids, proposals, and limited solicitation responses will be firm for 30 days, unless stated otherwise in the text of the invitation for bid, request for proposal, or limited solicitation.

ALTERATION OF SOLICITATION DOCUMENT: In the event of inconsistencies or contradictions between language contained in the State's solicitation document and a vendor's response, the language contained in the State's original solicitation document will prevail. Intentional manipulation and/or alteration of solicitation document language will result in the vendor's disqualification and possible debarment.

ASSIGNMENT, TRANSFER AND SUBCONTRACTING: The contractor shall not assign, transfer or subcontract any portion of the contract without the express written consent of the department. (Section 18-4-141, MCA.)

AUTHORITY: The attached bid, request for proposal, limited solicitation, or contract is issued under authority of Title 18, Montana Code Annotated, and the Administrative Rules of Montana, Title 2, chapter 5.

Any subletting or subcontracting by the contractor subjects subcontractors to the same provision. In accordance with section 49-3-207, MCA, the contractor agrees that the hiring of persons to perform the contract will be made on the basis of merit and qualifications and there will be no discrimination based upon race, color, religion, creed, political ideas, sex, age, marital status, physical or mental disability, or national origin by the persons performing the contract.

CONFORMANCE WITH CONTRACT: No alteration of the terms, conditions, delivery, price, quality, quantities, or specifications of the contract shall be granted without prior written consent of the State Procurement Bureau. Supplies delivered which do not conform to the contract terms, conditions, and specifications may be rejected and returned at the contractor's expense.

DEBARMENT: The contractor certifies, by submitting this bid or proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (contract) by any governmental department or agency. If the contractor cannot certify this statement, attach a written explanation for review by the State.
