

Section 17.24.510

DISPOSAL OF OFFSITE GENERATED WASTE AND FLY ASH

(1) Use of Waste as Fill Material

A coal preparation or conversion facility is not operated at the minesite. SCCC does not produce coal processing waste, and therefore, no such waste will be used as fill material. Additionally, municipal or other outside waste is not brought into the property.

(2) Hazardous Waste Materials

Reference ARM 17.24.507(4) for procedures on hazardous wastes.
