

**17.24.303 Legal, Financial, Compliance, and Related Information**

(1) Each application must contain:

- (k) List of all lands, interests in lands, options, or pending bids on interests held or made by the applicant for lands which are contiguous to the area to be covered by the permit;

The Navajo Transitional Energy Company, LLC (NTEC) acquired all legal estate previously held by Arrowhead I LLC, successor to Consolidation Coal Company and lands adjacent to and within the permit area necessary to conduct mining.

Additionally, existing agreements with Decker Coal Company and the Bureau of Land Management were assigned at acquisition.

All documents providing the Legal Right to Enter are held in that section of the permit.
