

**MASTER AGREEMENT E194-73092-MA2188  
BETWEEN  
THE COMMONWEALTH OF VIRGINIA  
AND  
TWENTYEIGHTY STRATEGY EXECUTION, INC.**

**PRICING SCHEDULE**

Reference Attachment B Section 2.

The Contractor's training catalog with pricing is accessible at <http://www.strategyex.com/business-government-solutions/government/contracting-vehicles-for-government> which goes to the Government Contract Vehicles section of the website, and then clicking on the hotlink for the NASPO ValuePoint Contract.

Prices in the training catalog include training instructor fees, access to digital materials, cost of exams delivered as part of a standard course offering, and costs for preparation of reports. Fees for exams to earn professional certifications not issued by the Contractor (e.g., CPPB, CPPO or PMP) are not included in this contract.

Customization and development services will require negotiations between the Participating Entity and the Contractor because of the diversity of an entity's needs such as delivery method, single or multiple classes, number of students, and type of course customization and development.

See Attachment B Section 4.B for information on training instructor travel and travel-related expenses.
