

**Montana Fish,
Wildlife & Parks**

Invitation for Bid
150125
Addendum #1

02/26/2015

Dear Vendor,

The following changes have been made to Invitation for Bid 150125. On page 10, under Grader, delete lines 1 through 8 from the solicitation. FWP will no longer be soliciting for a grader blade. Instead the following is being requested: Combination bucket, 74" and a Scarifier.

On page 11, 3.3 Quote Section, that section is being replaced with the section below. Please fill out and submit this new quote section with your bid proposal:

3.3 Quote Section:

Provide and deliver FOB: Fish, Wildlife & Parks, 3201 Spurgin Road, Missoula, MT 59804

- 1 ea Skid Steer
- 1 ea Low Profile Bucket Attachment
- 1 ea Pallet Forks Attachment
- 1 ea Auger (30 H)
- 1 ea Heavy Duty Bit, 6"
- 1 ea Heavy Duty Bit, 9"
- 1 ea Heavy Duty Bit, 12"
- 1 ea Combination bucket, 74"
- 1 ea Scarifier (compatible with S650)

Total Cost: _____

Also, for clarification on the Municipal trade in program, the bucket, tires, and wheels will be exchanged at the time of delivery, requiring the purchaser to retain the original bucket, tires, and wheels.

Any questions, please call Kari Shinn at 406-495-3249. Thank you.

If you wish to submit a bid for this solicitation, please acknowledge this addendum by signing this page and submitting it along with your bid. I apologize for any inconvenience this may have caused. Thank you for your cooperation.
