June 6, 2014

STATE OF MONTANA  
ADDENDUM  
INVITATION FOR BID NO.: 414006  
TO BE OPENED: July 9, 2014  
TITLE: SAND COULEE WATER SYSTEM REPLACEMENT PROJECT

ADDENDUM NO. 2

To All Bidders:

In an effort to aid potential Bidders by providing information as quickly as possible, DEQ will make an effort to post answers to questions for this Invitation for Bid No. 414006 (IFB 414006) shortly after they are received in installments up to the deadline for DEQ answers. The dates set forth in the Invitation for Bid and elsewhere in the Contract Documents for Bidders to submit questions and for DEQ to provide answers will remain unchanged. This addendum contains questions and answers as well as the following Contract Document amendments:

**The internet address for the posting of responses to questions has changed.**

For all bid documents for Bid No. 414006, replace every appearance of "<http://svc.mt.gov/gsd/OneStop/SolicitationList.aspx>" with "<http://svc.mt.gov/gsd/OneStop/SolicitationDefault.aspx>".

**Two locations for viewing the bid documents have changed.**

For all bid documents for IFB 414006, replace every appearance of "Montana Contractors Association, 1717 11th Avenue, P.O. Box 4519, Helena, MT 59604, Phone 406-442-4162" with "Montana Plans Exchange, Helena Copy Center, 1530 Cedar St., Suite C, Helena, MT 59601, Phone 406-457-2679".

For all bid documents for IFB 414006, replace every appearance of "Great Falls Builders' Exchange, 202 2nd Avenue South, Great Falls, MT 59405" with "Great Falls Builders' Exchange, 325 2nd Street South, Great Falls, MT 59405".

## Section IV Technical Specifications of the Bid Documents have changed

IFB 414006 Technical Specification Section 11202 Replacement Well Pump – Well No. 5 under Division 11 – Equipment is deleted in its entirety and will not apply to this portion of the project.

### Project Photos

Photos of the project area provided for general reference are available at <http://svc.mt.gov/gsd/OneStop/SolicitationDefault.aspx>.

### Question and Answers: Group 1

#### Question # 1

*What are the approximate lengths, sizes and types of the pipes to be installed on the project?*

**DEQ Answer:** The project includes installation of approximately 8,957 lineal feet of 8-inch C-900, CL200 PVC water main pipe, 847 lineal feet of 6-inch C-900, CL200 PVC water main pipe, and 1,600 lineal feet of ¾ inch HDPE IPS SIDR7 water service pipe. A complete description of the Work including materials and anticipated quantities is provided in the Bid Documents. Phone - 406-782-5433

**Question # 2**

*Are there any portions of the project that will need to be Bored?*

**DEQ Answer:** The Work includes horizontal directional drilling and installation of 8-inch Fusible C-900 PVC DR 14 water main pipe. The general locations for the horizontal directional drilling include two crossings of Sand Coulee and two crossings of East Hunter Road. A complete description of the Work is provided in the Bid Documents.

**Question # 3**

*Are the crossings to be Jack & Bored or Directionally Bored?*

**DEQ Answer:** Horizontal directional drilling will be performed. The specifications and requirements regarding the qualifications of the directional drilling contractor, materials, equipment, and execution of the work are provided in the Bid Documents.

**Question # 4**

*What are the approximate length and diameter of the portions to be bored?*

**DEQ Answer:** The approximate length of each crossing is 60 feet, and the total amount of directional drilling is approximately 240 feet. The horizontal directional drilling will be performed for the installation of 8-inch diameter water main pipe.

**Question # 5**

*How much is the estimated cost of the project?*

**DEQ Answer:** The engineer's estimate of the project cost will be released during the bid opening scheduled for 2:00 PM Mountain Time, Wednesday, July 9, 2014.

**Question # 6**

*Any further details you wish to provide?*

**DEQ Answer:** All information related to IFB 414006 including addenda and questions and answers will be posted at the following internet address:

<http://svc.mt.gov/gsd/OneStop/SolicitationDefault.aspx>

Sincerely,

/s/ Tom Henderson,  
DEQ Project Officer

**Acknowledgment of Addendum:**

Bidder must acknowledge receipt of this addendum. This page must be submitted at the time set for the bid opening or the bid may be disqualified from further consideration.
